Magistrate Judge Karen L. Litkovitz

**ORDER GRANTING
PLAINTIFFS' MOTION TO
FILE RESPONSE TO
DEFENDANT'S SUMMARY
JUDGMENT MOTION AND
PROPOSED UNDISPUTED
FACTS UNDER SEAL**

This matter is before the Court on plaintiffs' motion to file its response to defendant's motion for summary judgment and proposed undisputed facts under seal (Doc. 73).

The Court finds that sealing of plaintiffs' response to defendant's motion for summary judgment and proposed undisputed facts is justified and necessary and will not interfere with the public's ability to understand the conduct at issue or assess the merits of this Court's decision.

For good cause shown and based on the record and applicable law, the motion is **GRANTED**.

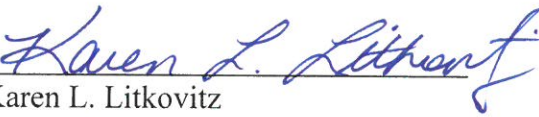

Plaintiffs are **DIRECTED** to electronically file on the docket of the Court the redacted versions of these documents, which shall reflect redacted information on liquidated damages, purchase price, patient numbers, and patient identification.

Plaintiffs are **DIRECTED** to file the unredacted documents under seal. The original documents shall be retained under seal until further order of the Court. The sealed

documents will be available to the Court and its personnel, but not available to the public.

IT IS SO ORDERED.
